### **Upwood & The Raveleys Newsletter August 2009**

Number 43

### **Editorial**

I am constantly amazed at the ingenuity of some people to con other people out of money. I received an official looking e-mail from HMRC, (Her Majesty's Revenue and Customs) complete with logo, advising me that I was due a refund, and to download the attached form, complete it and return it to receive the refund. The name was English and gave a phone number also a standard 01 prefix. I rang it, and the man named said that he was at HMRC and I did have a tax refund due. Then I range my own tax office in Leicester who said that the e-mail was a fake. The object of it is to get your bank account details so that they can take money out. I forwarded the e-mail to HMRC's security department. Remember, your bank, building society, credit card company, Inland Revenue, etc DO NOT E-MAIL YOU FOR ANYTHING

### **Parish Council Matters**

In June the Parish Council agreed to support the Newsletter with sufficient funds for 2009. It declined to support the Rotary Club in Ramsey which sought funds for a new float. Three new allotments have been allocated and are being actively managed. Trimming of the conifers in St. Peter's Churchyard will go ahead once more information is available. Some of the lower branches of trees in the cemetery will be trimmed to avert the risk of the maintenance man being knocked off his tractor.

Trees and hedges seem to feature more at recent meetings. Recent tree falls in the spinney in the High Street and concerns about the overgrown hedge on the corner of Meadow Road and Huntingdon Road.

Full minutes of Parish Council meetings are published in the three village notice boards and on the village website

### **Table Tennis News.**

Seventeen members of the club sped off to Hunstanton for the day on Sunday 27<sup>th</sup> June in a hired minibus. They left the "Cross Keys" at 8.45 am and arrived at Hunstanton late morning after a welcome coffee stop during the journey.

Once at the resort two rounds of crazy golf were the order of the day just to start things off. Special rates were requested and received. Deck chairs were then required and after hard bargaining we duly received 17 deck chairs which were set up on the beach. A game of cricket was next on the agenda, much to the amusement of the holiday makers who watched the "oldies" having fun.

17 fish and chip dinners duly arrived in the early afternoon (no concessions here) and they went down well in the sunshine on the beach.

After a short sunbathing session the male contingent took on the Ladies at "rounders". Needless to say the males won hands down, although according to the Ladies this was after some cheating! Just bad losers.

Thirsty work running around on the sand so it was off to the town centre for afternoon tea and relaxing on the green. Early evening was spent at the fun fair, mainly on the dodgems, creating havoc and knocking hells bells out of the other drivers.

Leaving Hunstanton behind at 8 pm a water stop came at Wisbech, which the local landlord appreciated. The golden oldies returned to Upwood around 11 pm.

For the record the Table Tennis evening is in the Village Hall every Tuesday evening commencing at 8 pm until 10 pm. It is most enjoyable, great company and not taken too seriously, but always a great evening out. Contact David Williams on 812923 for details.

### Upwood and the Raveleys Village Fete 2009.

This year's fete proved even more popular with visitors and the gate was "up" on previous years. The ticket sellers were busy all afternoon and Chris, the MC, and the musicians entertained everyone until Lord Mawhinney officially opened the fete.

There were lots of games and stalls, things to try, buy or eat to suit all ages. Where else could you enter a competition to see who could pick up the most plastic spoons with the "wrong" hand or throw wet sponges at a soggy victim, guess the weight of a cake or play putting golf? The pet show was a great success, more pets than ever before were entered and the judge had a

tough time picking winners.

Heartsease, regular entertainers at the fete, performed country dances. The children from Upwood School gave a spirited gymnastics routine and a gentleman demonstrated Norfolk dancing on a wooden board. Quite a variety!

Visitors had the chance to buy cakes, burgers, plants and bric-a-brac and the community tent had information about most of the village organisations. The tombola had lots of prizes and the teddy tombola pleased the children. Martin and his wheelbarrow did a great job, with wine galore for the winners. There was a Fergy to admire and ladies spinning yarn from the sheep nearby. Chris, the master of ceremonies, took a break, and was seen spinning very successfully. What a talented man!

The afternoon ended with prize giving and the raffle draw and ..... rain......Well that's traditional too. All in all a lovely afternoon, enjoyed by lots of folk. I'm already looking forward to next year.

### UPWOOD OPEN GARDENS DAY. Sunday 7th June.

What a day! Twelve open gardens, as many garage sales, an art show and refreshments galore in the Village Hall, alongside a Flower and Bridal display in the church. Perfect for a "day out" in Upwood......but......

Needless to say the promised fantastic summer weather didn't happen on that day. It rained bucket-loads all morning and I was very surprised at 11am, starting time, to see a gentleman in my garden, clutching a very soggy map and an umbrella. From the dry comfort of the conservatory I asked if he needed the guided tour and to my gratitude he declined the offer. I genuinely thought that he'd be the first and last visitor. No, anything but!! The estimated number of visitors, and tickets printed, was woefully inadequate and reprints had to be rushed to the hall.

It stop raining in the afternoon and visitors were still arriving at closing time. The ladies

"manning" the refreshments were run off their feet and did a sterling job, filling orders for lunches and teas. The art group sold several pictures and raffle tickets, for the prize hamper, were snapped up. All in all a really successful event, despite the awful weather. Our thanks to all the keen gardeners who allowed us to see their beautiful gardens, the garage salers for their contribution to the day, the brilliant ladies who fed us, the Church members Floral Festival and the Upwood and Raveleys Fete Committee Members for promoting the event. A very special thank you to all the wonderful people who came regardless of the foul weather and to Josie Gaunt who planned and finalised the whole thing. It was without doubt the most successful Open Gardens we've had and raised quite a sum of money for Village Funds. Thank you.

The Fete Committee AGM will be held in the Village Hall on Monday 7th Sept. Details in this newsletter. Come along and meet the people who arrange events, like the Open Gardens, you may be tempted to join us. Needless to say new committee members will be welcomed with open arms.

### A THANK YOU

The Upwood and Raveleys Fete Committee members would like to thank everyone who helped to make this year's event such a success. Without the many volunteers who help on the day, and those who contribute before and after the fete, the committee couldn't manage. We would like to send our sincere thanks to you all. On a personal note I should like to thank the committee members, there would definitely be no fete without them, and I hope that they will be available to organise next year's event, our tenth. A thank you too, to Lord Mawhinney who has supported the Fete Committee from year one. THANK YOU.

Frances Ashfield. Committee Chair.

### **Upwood and the Raveleys History Group.**

There are still some **Red Books** entitled "Upwood & Raveley Village memories 1900-2000 for sale available from Ian Gaunt (Tel: 710702).

### **HOME TO HOME**

Members who went to Elton Hall, in June, enjoyed a guided tour of the Hall, and a visit to the very pretty gardens, in glorious sunshine. The "house" is still a family home and very "lived-in". It has a library that bibliophiles would die for and a salon in which generations of cleaning ladies probably died whilst dusting!! Lots of styles and periods showing how the hall has changed during the different occupants' tenure made the tour very interesting and the guide obviously loved the place. The adjoining Garden Centre, though not under the same ownership, served cream teas and had a good range of plants to buy. It was a very pleasant afternoon in good company.

Home to Home is a social group open to ladies of all ages. The committee tries to provide a varied programme and welcomes ideas for future events and outings.

The "new year" begins in September and the group meets in the Village Hall at 8pm on Monday 28th, for a club night and enrolment. New members and visitors are always welcome. Need more details? Then call Josie on 01487 710702

### **UPWOOD ART GROUP**

Open Gardens Day provided the group with an opportunity to display work in the Village Hall. Members produced a wide range of pictures for visitors to enjoy while having refreshments and, although not staged as a selling exhibition, to our surprise we sold four pictures. During the summer the group paints at a variety of venues, we usually meet at the Hall at 10am each week. Anyone who arrives late will find a note on the door giving our location so you can find us. Transport is shared if we leave the village. New members are more than welcome, just come along on Saturday and meet us. Materials are available to try so no need to buy paints etc if you are new to picture making. It's a very friendly group, lots of help and advice when needed, and fun to work with.

UAG co-hosts the Open Art Show at the Ramsey Rural Museum on August 8/9th. More than 130 pictures by artists from all over the county , and further afield, are displayed at the museum. Well worth a visit! On15th August members visit the Royal Academy Summer Exhibition. A great day out!

During the autumn we're lucky enough to have Kev, a professional model, sit for us. Other subject matter is provided and there is a small library of art books available for reference. Tempted? Come and meet the group or ring Frances on 01487 711411 and I'll do my best to persuade you to come along, pick up a brush and enjoy painting.

### **Special Fish and Chips**

The high quality of the "Cross Keys" fish and chips is almost legendary. For only £3.99 one gets a large piece of battered fish and a man sized helping of delicious chips that you can order and take away. The newsletter's food correspondent sampled this fare and reports that it is excellent value for money.

Just call Jane and Kevin on 813384 to place an order.

### More from the "Cross Keys"

The "Cross Keys" is one of the villages social centres now, more than ever it needs our support. Kevin and Jane are introducing some new promotions and bringing back some old favourites. Starting in September...dine out for £10. Starting in the autumn, there will be quizzes and bingo nights. Support your local pub.

### **Rabbit Snares**

The editor has been asked to publicise the sad fact that a resident's cat came home recently with a rabbit snare round its neck. Fortunately the cat will survive its injuries, but whoever is setting snares should be aware that the practice is illegal. Anyone with information should contact the Police or the RSPCA.

We welcome John and Maria Jackson to Upwood. We hope that they will enjoy living in Upwood.

### Performing Arts Events at Upwood Village Hall

The hall has hosted 2 more events under the sponsorship of Arts in Cambridgeshire on Tour [act].

In May there was a sell-out audience to see MSFits Theatre's production of "Fur Coat and Magic Knickers". Fiona Knowles put on a fantastic one woman performance which was full of humour and pathos. She played all three parts in the play: Maggie - a compulsive shopper, Jenny - Maggie's personal shopper, and a wonderfully portrayed shop-lifting granny.

In June there was a very different kind of event with the screening of "Mamma Mia". Several members of the audience dressed up for the occasion with the winner being Dee Smith who turned up as Meryl Streep blue dungarees, blond wig and all. There was plenty of audience participation throughout all the musical numbers of the film with the highlight being a duet of "Thank you for the music" performed by Dee with assistance from Tom Markland.

NB Because the village hall is offered these events at a subsidised rate, the

vast majority of any profit made on ticket sales is given to **[act]**, who also agree to underwrite a percentage of any losses made on ticket sales. The hall is, however, permitted to keep any profit made from raffles and bar sales.

### Ramsey and District Garden Club.

If you are interested in gardens or gardening why not come along to the Garden Club? This is not aimed at expert gardeners but is for anyone who is interested in the subjet. We attempt to have a varied programme to provide something of interest to everyone. Over the last months we have had talks on growing pelargoniums and fuchsias, fragrance in the garden and 'Anglia in Bloom'. ### Ramsey Rural Museum

Remember that you have your local museum in Wood Lane Ramsey (entrance opposite the cemetery). It is an ideal spot for a visit or to take visitors to and introduce them to the locality. This isn't just a collection of old farm machinery, there are replica shops of the Victorian period and a wheelwright's and blacksmith's shop. There is a Victorian schoolroom and displays relating to World War 2 and Upwood aerodrome. And there is a tea-shop selling refreshments as well as helpful volunteers to answer you questions.

The Museum is open on Thursdays (from 10 am til 5 pm) and Sundays (from 2 until 5pm) as well as Bank Holidays and "Special Events".

### Archive Group:

The archive group are running a photo competition over the summer. The subject is 'Life in Upwood and the Raveleys' - what happens in the villages. Entries should be a group of 3 photos either on the same subject or showing different aspects of life. This really is a competition for amateurs. You don't need to be an expert photographer as judging will be based on how well life in the villages has been captured. The subject(s) can be anything from bathing the dog to one of the village events.

There is an optional 50p entry fee to cover small prizes but the most important thing is to send in your photos. Judging will be by members of the Cambridgeshire Community Archive Network (CCAN) executive committee; as many entries as possible will go onto the CCAN website and be displayed later in the year.

### Party in the Paddock 2

What a wonderful evening of family entertainment. Truly stretching across all the generations. It was like a who's who of Upwood village and their friends! As I gazed across the paddock it was evident teenagers were together in their groups, having such fun just being together and moving round the paddock! As I looked down on the rug near my feet, a 17month old little boy was having just as much fun trying to persuade his mum to give him yet more Pringles to hold in each hand and eat! And there were 20-somethings, and 30somethings and 40... well you get the idea right up to OAP's.

We were treated to beautiful weather – throughout the day the big question was - will it, wont it?? Rain or not?? And it didn't! It was a beautiful balmy summer evening. So the paddock was at its best. Sunshine, marguee, paddock filled with tables and chairs, the barbeque chuffing away serving hot dogs and burgers, the bar busy supplying our thirsty needs.

First to take to the stage was Upwood musician (and 10 o'clock Curfew member). Doug McLeod. Doug played a fine selection of songs by the likes of Cyndi Lauper and Jez Lowe, even managing to generate some audience participation! It was a perfect opener to the proceedings.

Doug had barely finished his last song before The Overloads raced onto the stage like greyhounds out of their traps! It was obvious that they were keen to get on with their set and the marquee soon filled with their families. friends and (new) fans. This was their first public performance and the boys (Daniel McManus, Josh Rule and Tom Cuthbert) were obviously initially nervous. However, they grew in confidence as they played through songs by the likes of Metallica and Kid Rock. It was a delight to witness all their hard work come to fruition and, who knows, one day we might all be able to say "I was there at The Overloads' first ever concert". The crowd wouldn't let them leave the stage at the end and so they encored with a repeat of a Kings of Leon song. again to rapturous applause.

The musical entertainment from Upwood's own Ten O'Clock Curfew, was

fabulous – fun, entertaining, great musicianship and professional skill. What more could we ask for?

A write up or conversation about "Party in the Paddock" could not begin or end without mention of our hosts, Kevin and Jane, from the Cross Keys. Their attention to detail is meticulous, their style always on the button and their quality of service to their clients always professional while maintaining a friendly informal atmosphere. Thank you Jane and Kevin, the village of Upwood and its inhabitants are blessed to have you as our landlords!! Kim Downes & Jon Novice
