Editorial

Huntingdonshire District Council's "consultation to put a gypsy and travellers site in the village has brought out the fighting spirit of residents. The emergence of people determined to spend a lot of their time and money and resources in opposing the placement of any gypsy and travellers site anywhere near our parish is truly amazing.

More than that, the example set by the Preserving Upwood group became the model for other villages to follow. Unfortunately the neighbouring parishes of Bury and Ramsey did not feel that they too should join forces in opposition.

By now all the letters of objection, all the postings on websites, all the public meetings is over. The District Council knows our views and hopefully it will abandon any such plans for the long term future.

Welcome

We welcome new residents to the village. They recently moved into "The Little Problem" on Meadow Road.

St Peter's Church Patronal Festival

On the 4th July, Upwood St Peter's had a Song & Praise Service to celebrate St Peter. The church was well decorated and vibrant with music. Many came and we were lucky enough to enjoy a warm summer evening.

Later on, people stayed chatting and the cakes were quite a treat. Thank you to all who were involved with helping in any way for that wonderful evening.

Repairs to the Church

We are going to have some repairs done above our main entrance door, on the north wall and will have to use the south door for few weeks. The work will start probably towards the end of August. We will put a sign to guide your entrance.

Meet & Munch

Afternoon tea will be served to Meet and Munch members between 3.00 and 4.30 pm on the following dates: 7th August and 4th September. We are a very friendly group, so if you are over 55 and a resident of the parish, why not come along and join us.

Please contact Mags Dudley 812424 or Jean Place 813742 for information.

From the Archive Group.

Historypin

If you read the Sunday Times magazine on 18 July you may know something about Historypin. Apologies to those who are already familiar with it; however, there can't be too many Upwoodians in the know as there are no entries for anywhere in this area. This is a good way to put Upwood on the map.

Historypin is a free website (www.historypin.com) and has been created by 'We Are What We Do' in partnership with Google. The idea is to create a map of the world that has pictures and information about buildings then and now. Behind it you have the power of the Google Street Map and can search the website by place name or time or use street view to compare a building through time.

You can add photos of places, houses etc or text - anything to

build up a history of a place. Just simple things like a photo and simple text to say 'Great Aunt Matilda lived here in 1900'. Anyone can add pictures to the website. You can add a picture for anywhere; so if, for example, you have photos of Coventry during the war you can put those on. The website was launched a couple of months ago. With Google backing it the website is not going to run out of space or suffer any of the other fates that befall websites. This may well be Google trying to get back in favour after taking photos of everyone's house but if you have an interest in social history or just in the places you are personally associated with this could be very interesting. You can add things or just look!

Please don't stop adding/giving the Archive Group (www.ccan.co.uk) photos for the website but do think about adding things to Historypin as well. CCAN has much more local detail.

Bats in the Belfry

In early September, there is going to be a talk by "Natural England" about bats, their way of living, how to protect them and ourselves, how to re-house them and much more. There are so many different species! We will be able to hear them and they will bring some to show us.

This is the "Natural England" motto:

We are here to secure a healthy natural environment for people to enjoy, where wildlife is protected and England's traditional landscapes are safeguarded for future generations.

I will let you know the date for that evening by posters.

Quite a few people from the village are interested already with this talk so let's spread the word!

This will happen in St Peter Church 8pm and the date will be revealed on posters. I will put one in the pub for anyone interested.

Brought to Book

If you love reading but struggle to get to your local library because of health or mobility problems - or even just not enough time - help is available. You can be matched with a friendly volunteer from Cambridgeshire Libraries Doorstep Service who will visit you once a month with a supply of the kind of books that you enjoy. To find out more about getting this amazing free service or becoming a volunteer for it, contact Anne Evans,

the co-ordinator, by phoning 01480 375023, or, if you are computer literate, e-mail her on anna.evans@cambridgeshire.gov.uk

Ramsey Rural Museum.

The usual openings during the season will be on Thursdays from 10.00 am and Sunday afternoons. The Museum is totally managed and run by volunteers. New volunteers are always welcome and any skills can be used. Much of the work is carried out on Thursday and, if you are interested in supporting this interesting local museum, why not come along and talk to those carrying out the various tasks.

For further information on visits, the events or becoming a volunteer contact Michael Latcham (01354 694241) or m.r.latcham@btinternet.com). For a local contact Ian Gaunt (01487 710702)

FUN FRIENDSHIP AND FOOD 55+

Our Annual Flower Competition took place in June with several categories to be judged. Members brought along some wonderful arrangements. These were judged by a surprise guest, a very talented flower arranger, Mrs Jean Whitwell. She thought that the standard was very high and thanked all those who participated. On Sunday 4th July we sat in Josie and Ian's beautiful garden and enjoyed a strawberry tea with scones and shortbread too. A lot of friends were brought together on a really hot afternoon and thoroughly enjoyed themselves. On 13th July we had a very interesting slide show and talk from Mrs Ann Doody who described the landscapes of Derbyshire in general but then showed and talked about the annual "well dressing". None of us realised exactly how much intricate work was involved using clay, tiny flower petals and other natural items. A truly interesting afternoon. On 10th August we are off on a coach to Harlexton manor. We are stopping off first for a break, lunch and no doubt some shopping at Downtown Retail Shopping Centre. We are always hoping to welcome new members so please try to join us for a very interesting afternoon starting at 2.30 pm on the second Tuesday of every month except January. Contact Chris Bruce on 812327 for any more information.

Thank you

The Upwood & The Raveleys fete Committee would like to send a special thank you everyone who helped before, during and after this year's fete. Without the many kind folk who help we would never manage and we are eternally grateful. THANK YOU EVERYONE.

Upwood Art Group

There will be an Open Art Show at the Ramsey Rural Museum on Saturday 7th and Sunday 8th August hosted by the Art Group and the Rural Museum. The variety of work is always amazing. Last year there were 138 paintings covering a wide range of subjects and styles. There is always a member of the Art Group present who can answer any queries about the works, or Upwood Art Group membership, and give catalogues of the works on display. Do pay a visit, it is well worth it.

In August we will be going to the Summer Exhibition at the Royal Academy - an outing that really gets members talking as the works are so very varied and thought provoking. Another date to note is the UAG Art Show in the Village Hall on Saturday 27th and Sunday 28th November. Painters and sculptors should put a note in their diaries. Everyone is eligible to display their work and full details will be in the next newsletter. The Group meets on Saturdays at 10am in the Village Hall - it's a friendly fun group and visitors are always welcome. In good weather we sometimes paint outdoors and the venue is posted on the Hall door. Want to know more, call Frances on 711411.

Table Tennis Club

Twenty six members and guests enjoyed a day out at Hunstanton in June and after a cool start played the usual silly games on the beach. Brenda Coakley won the sand sculpture competition with her reclining mermaid upon which she added the finishing touches with cherries! After many games of rounders we had a fish and chip lunch and completed our beach activities with a "tug of war". Minor drama on our coach ride home when an enormous bang turned out to be a puncture. This resulted in a slower ride back to Upwood.. Anyone wishing to know more about the Club contact David Williams on 812923

RAF UPWOOD - 1940s WEEKEND

There can't be many people within the county who don't know about the great 1940s Week Ends at RAF Upwood. Lots of stalls, lots of interesting displays even a flying display. Every year there is something different to interest young and old. And-if you would like to join the organising team you would be most welcome. They are a dedicated small group who do a great job every year.

Upwood & The Raveleys Fete

This year was the tenth fete that the present committee organised and as usual the weather played tricks and caused problems. None of us can remember a Friday pre-Fete when it didn't rain and this year was no exception. On Saturday morning a gale blew two marquees away, destroying one completely. Thanks to a lot of hard work by committee members and helpers repairs were made and all was ready for the stall holders when they arrived.

Unfortunately Lord Mawhinney was unable to attend this year but he sent his best wishes. There were interesting stalls, a terrific pet show and Heartsease appeared for the tenth year demonstrating country dancing. For the first time there was a childrens' art competition with two of the winners being Upwood school pupils. The gate was down a little on last year which wasn't really surprising as it was FREEZING cold. Thanks to everyone who attended and the stall holders for all their help. The committee is already working on next year's event.

The Committee AGM will be held on Monday 6th September in the Village Hall. New committee members are desperately needed so if you are interested please come along, find out what is involved, and hopefully join us.

If you would like a stall next year, or know somebody who might, or have an idea for a game, stall or entertainment for 2011 please call Francis on 711411 and give us details. Thank you.

Ramsey and District Horticultural Society (The Garden Club)

Our latest activity was the Annual Show at the Ramsey Rural Museum on Saturday 24 July. As well as the benefit of the excellent site we were blessed with wonderful weather. There were a larger number of both entrants and entries than for several years. All of this made for an excellent and enjoyable show.

In addition to the entrants a large number of the public attended making it a pleasant community event.

Our next meeting will be on 20 September at 7.30 in the Rainbow Resource Centre in Ramsey. It will be a talk entitled "Colour all year" by Geoff Hodge.

Visitors are welcome to our meetings which are friendly and relaxed. Membership is £12 for an individual or £20 for a family membership. The membership year starts from our Annual General Meeting in October.

If you would like more information please contact Ian Gaunt (01487 710702, ian.gaunt@care4free.net).

BOOK THIS DATE

HOME TO HOME

In May members heard all about progress on the Great Fen Project and plans for the future. It was an interesting talk covering the present situation and the proposed future expansion of the area being worked upon and the importance of conservation in the area as a whole.

The evening meeting in June was spent with Mr & Mrs McPherson at Ramsey St Mary's and was a sheer delight. Mr McPherson told us about the alpacas which he keeps, their likes and dislikes and what they eat. He explained that in South America they are used as pack animals, for wool and for meat but in England they are kept only for their wool which is beautifully soft and comes in a variety of colours. We were allowed to hand feed them, getting close enough to admire their amazing eye lashes and beautiful eyes. We enjoyed the antics of the young ones who leap around like lambs. Our thanks to Patty and her husband Robin, it was a lovely evening and the tea and cakes were super.

All meetings start in the Village Hall at 8 pm. (except the AGM)

Membership for the year is £10.00. Or, if you'd like to come along to any of our open meetings during 2010/11, the entrance fee is £2.00, which includes refreshments.

In Upwood

Although I have lived longer in our house than in any other in my life I know that I am probably still a "new comer" to some local people. After nearly twenty years I have grown to love living here, the friends we have made, the activities in the village, the pub and the general feeling of settled peace and quiet. I enjoy the countryside around and have an enormous source of subjects to paint and draw. We have some great walks very close to Upwood and conservation areas on our doorstep.

As a young person I thought that anyone who lived more than 15 miles from Marble Arch wasn't really living. Now the thought of being in the noise and confusion of London is pretty horrifying. This is a lovely place to live in and hopefully it will stay that way....small, individual and comfortable.....which is why the idea of travellers sites in the village seems such a bad HDC plan. If you feel as I do and object to the plan, and haven't yet written to the Council, please do so. It would be a pity to spoil such a nice easy going friendly village. Frances Ashfield.

JAMES (JIM) RIGNALL

7th December 1934 - 4th July 2010

Jim was the only child of Herbert and Mercy Rignall. The Rignalls had been blacksmiths in Warboys for two generations, indeed Forge Way in Warboys is where the business once was, opposite their home.

Jim was educated at Warboys school and then attended Ramsey Abbey Grammar School. Leaving school he joined Permanex, a company on Upwood airfield - which fostered Jim's interest in aeroplanes and aviation.

National Service saw Jim in the RAF specialising in Signals and Radar. While posted to Hong Kong he met for the first time his uncle Henry who was in the Royal Navy. Such was the appeal of Hong Kong that Jim considered returning there after his National Service to join the police force.

However he came back to England and, demobbed, joined Huntingdonshire Council in the "Weights and Measures" department. At that time, 1960, Jim also met Pauline in a pub. They were soon "going steady" and in March 1961 they were married in Trinity Church, Huntingdon. Initially the couple lived in Godmanchester before Jim joined the local Council and they moved to Warboys.

Twelve years later they moved to Upwood where they settled into village life. Jim's public spirit led him to join Upwood Parish Council, serving eight years as Chairman. His fellow councillors remember him for his deliberate speech and his dry humour which oft times enlivened council meetings.

Jim's career was wide ranging. Civil Defence, Atcost in St Ives, Youth Employment in Huntingdon, Photo-Precision, and finally Huntingdonshire District Council where he finished his working life in Pest Control.

Jim loved gliding, gaining Bronze and Silver medals. He felt obliged once to land on Broughton cricket field, an event that was one of many anecdotes of his life that listeners always enjoyed.

Jim was a good keyboard player, both piano and electric organ. He was a member of the Royal British Legion, a Mason and an avid reader.

Seven years ago Jim had a heart attack, from which he recovered. But a heart infection struck him and after eight weeks in intensive care sadly, Jim died.

Our thoughts are with Pauline. We will all miss Jim.
