PARISH COUNCIL

After a difficult year which involved fourteen Council Meetings, many of which ended well after 10.00 pm the Council is now more optimistic about the future. All Councillors have now been trained or re-trained and most members have taken on special responsibilities to ensure better accountability and speed of action.

Planning Applications: Andrew Perkins

Allotments: Colin Bryce

Tree Warden: Robert Brown

Roads & Assets: Keith Sisman

Highway Warden and Police Liaison Officer : Keith Sisman

Village Services & resources: Gill Shelford

Liaison with the Newsletter: Jane Kirkby and Gill Shelford

Documentation: Jean Noble

Vice Chairman: Jo Paxton

Chairman: Robin Howe.

Parish Clerk: Tess Rogers, who, unfortunately, due to pressure of her other work will be leaving when a new clerk has been appointed.

BT TELEPHONE BOX

The renovation was completed in time for the Diamond Jubilee Celebrations. The Council would like to thank Glyn Pilkington, Paul Rowley and Graham Hillman. It is now stocked with books and DVDs. Please feel free to take one or more and replace them at some time later.

There is also a Village Notice Board inside for parishioners to use.

GYPSY & TRAVELLER SITES

Huntingdon District Council have decided to permanently remove the two Upwood sites from the list of potential Gypsy and Traveller Sites as they are both deemed unsuitable based upon the new selection criteria.

PLAYING FIELD

This amenity which is entered from Ailwine Road is under-used. The Council pays an annual rent to the Diocese and also undertakes the grass cutting. Please could all residents consider how the use of it can be maximised. It is a valued addition to the wonderful Village Hall and could be a venue for outdoor village activities. Please give your suggestions to any Councillor.

NEXT COUNCIL MEETING: MONDAY 3RD SEPTEMBER 7.00PM

All are welcome to attend.

THE NEW EDITORIAL TEAM

This is the first edition of the Upwood and The Raveleys Newsletter since David Paine retired as editor. The new voluntary team of Paul Charman, Judith Harvey and Pauline McLeod have all lived in Upwood for more years than they care to remember! Their contact telephone numbers can be found on the back page along with the email address for submissions. Feel free to contact them if you have any articles or suggestions for the Newsletter. They want to represent your views on your villages.

UPWOOD AND THE RAVELEYS HISTORY GROUP

This friendly group meets in the Village Hall at 7.45pm usually on the third Wednesday of alternate months. We have talks and visits relating to local history and to history more widely. New members are welcome as are visitors to individual meetings

On June 20th we had an informative guided walk around Historic Kings Lynn. The meeting in July was a talk by Bob Burn-Murdoch, the curator of the Norris museum in St Ives. He told us about "The Golden Age of Fen Skating". The meeting in September (19th) is a talk on "the Hunts Cyclists Battalions" by Martyn Smith and in November (21st) we will have a talk by Fiona Lucraft on "Dining at Christmas through the Ages". Both are entertaining and knowledgeable speakers. If there is sufficient interest, we are hoping to arrange a 'Coach & Boat Trip to Windsor' – Cost £23 on Saturday 22nd June 2013 (contact: Mary Knowles 01480 431868)

More information please contact Ian Gaunt (710702; ian.gaunt@care4free.net)

The flower competition once again showed the talents of our members and thanks to all those who participated. Unfortunately, owing to the inclement weather, the Strawberry Tea had to move to the Village Hall. By the time the meeting ended the sun was out so Josie escorted members around her beautiful garden with the help of a tolerant husband!

Our July meeting began with a quiz and much hilarity. We were then entertained by Hilary and Alan Tough who gave us a wonderful slide show and explained how they became the owners of a bee-hive with the help of the Ramsey W.I. They have already produced a lot of honey and are enjoying their new hobby. It led to many questions from the members.

We have a trip to Somerleyton Hall in August and a coffee morning arranged for 6th September. For any enquiries please ring Chris on 812327.

MEET & MUNCH CELEBRATE THE QUEEN'S DIAMOND JUBILEE

And, "so let the party begin" wrote a national newspaper journalist, as the Nation and the Commonwealth came together to celebrate the Queen's 60 year reign. Meet & Munch, as always, is happy to mark such landmark occasions, so with bunting and flags transforming the Upwood Village Hall, members were in jubilant mood on Saturday 9th June 2012, to enjoy a special Jubilee lunch, concluding with an array of homemade "puds".....with not a calorie in sight!!! They joined in the fun sporting decorated hats and clothing using the red white and blue approach! Gordon Slinn looked very cool in his union flag style sunglasses and matching umbrella – ready for sun or rain! A sparkling wine loyal toast was proposed to Her Majesty, and members heartily sang the National Anthem. Maurice Hiscott entertained members with a sing-a-long of favourite tunes and songs. Jean Place recalled her excitement of the previous weekend, when she together with Tony and friends enjoyed seats on a boat moored along the Thames, to watch the Queen and senior royals pass by in the spectacular Diamond Jubilee river pageant. Special thanks to all the helpers and to Doug McLeod for recording the celebration. Meet & Munch reverts to afternoon teas 3.00pm 14th July 2012, 4th August 2012 and 1st September 2012 .

Please contact Mags 812424 or Jean 813742 for further information. *Mags Dudley*

GREAT RAVELEY JUBILEE PARTY – SUNDAY 3RD JUNE

The original plan had been for everyone to congregate in the paddock behind The Smithy; a 'committee' of ladies had a few planning meetings, involving lists and wine, at which jobs were allocated; invites went out to all the houses within Great Raveley boundary, including 'outlying' farms. The idea was that everyone brought whatever they wanted to sling on the barbies, plus either a salad or dessert for everyone to share. Of course, on the day, the weather was a problem, so we issued a notice saying that as the paddock was 'out of bounds' we would go ahead with the event at The Pightle. I think we probably had about 30 people, with the men folk bar-b-qing outside under a windsurfer sail. Trevor and Colin had put together a sound track, with music from each decade of the reign. We decorated with Union Jack bunting, balloons etc., and some people even carried the red, white and blue theme through into their outfits. The British spirit prevailed and a good time was had by all - despite the weather!

JUBILEE GARDEN PARTY AT UPWOOD

The villagers of Upwood and The Raveleys showed their true British grit on Monday 4th June when they got together to celebrate the Queen's Diamond Jubilee.

The event was held in the Cross Keys Paddock – courtesy of the landlord and landlady Kevin and Jane Kirkby. The afternoon's entertainment included a treasure hunt for the children, an open mic session and a good old-fashioned sing-along. All of the children were presented with a commemoration Jubilee mug and a Union Jack bag of goodies.

Heavy showers during the afternoon increased the muddiness of the field which some children saw as the perfect excuse for some mud-sliding. Not to be outdone, some of the parents also joined in. One mother was heard to say "thank goodness for biological washing powder".

"We are extremely grateful to the Parish Council and St Peter's Church for donating the money that enabled us to put on this event. Everyone had a fantastic afternoon despite the weather".
Denice Smith - Organising Committee

JUBILEE PICNIC AT BURGHLEY HOUSE

Geoff Carrington and Doug McLeod were nominated by the Parish Council to represent our villages at The Queen's Diamond Jubilee Picnic at Burghley House on 13th June.

"We were both honoured to attend what proved to be a very enjoyable day which included a fly-past by the Red Arrows, a brilliant aerobic display from The Blades as well as a flying display by a Spitfire and Hurricane. We were also treated to a variety of live music throughout the event, provided by military bands, school orchestras and choirs as well as dance troupes from across the region."

Having arrived by helicopter, the Queen was introduced to the Lord Lieutenants' specially invited guests, planted a tree to commemorate her visit and was finally cheered on a drive past. With representatives attending from parishes and councils across Cambridgeshire, Lincolnshire, Rutland and Northamptonshire there were nearly 10,000 people there.

VILLAGE FETE

Saturday 30th of June saw the Olympic themed village fete in the Cross Keys Paddock. Thanks to Jane and Kevin for its use. After a wet few weeks the weather was kind to us and we had a lovely sunny afternoon with a short shower at 5pm as we closed. The helpers arrived bright and early in the paddock to put up the tents, with the stall holders all arriving with colourful stalls and games for everyone to enjoy. Our previous Chair Frances Ashfield opened the fete with the Olympic torch at 1pm to start all the fun.

We had over 450 people attend the fete this year with the usual mix of games from treasure island, to name the bear, to beat the buzzer as well as stalls such as plants, pottery, cup cakes, jewellery to name a few. A big thanks goes to Andy Davis who donated his bouncy castle and funds raised to the fete, as well as the human gymkhana run by the Woodwards. With the theme this year the day saw lots of children's Olympic races - sack race, bean bag, wheel barrow and egg and spoon. Many of the children took part and everyone who did received a medal on our Olympic podium, kindly made for us by Carl Jenkin. Entertainment this year was courtesy of XBBA martial artists who put on a fantastic display, music from Matt Stafford and Chris Richter as well as a new local group 'Token' from the village including Aidan Seabridge. Postman Pete kindly judged the new decorate a bicycle competition with Abigail Smith taking the gold medal, against strong competition from a summer themed flower bicycle, an Olympic themed cycle and a sailing boat with rudder. Chris Downes oversaw proceedings and did us all proud as our compere extraordinaire. This year saw the return of the dog show organised by Sally Evans who did a fantastic job with a good turnout of pooches vying for the coveted trophy.

The fete has raised a good amount of money again for Upwood & The Raveleys and any group wishing to apply for funding should write to the Committee c/o 7 Church Lane, specifying the amount requested and the purpose. Requests for grants must be received by 31 August. The awards will be announced at the AGM in September.

Those who attended I am sure enjoyed this year's traditional village fete. It cannot happen without the hard work and dedication of the committee who I would like to thank. The planning for next year will start again in September and we need more committee members to share the workload. We normally meet for an hour or so every 6-8 weeks so not too much, but I would really like to see some additional members join us with new ideas for 2013. If anyone would like any information or can help even just a little it would be great to see you. Please speak to Jane Kirby or myself.

UPWOOD TABLE TENNIS CLUB

UTTC held their AGM in June and the club welcomed Sophie Evans onto the committee as the new secretary. A coach outing to Hunstanton took place on July 1st and, although the weather could have been better, a good day was had by members and their guests.

The club continues to have good attendances, especially on guest nights (2nd Tuesday of the month) when those on the waiting list can play. Anyone interested in UTTC please contact David Williams: 812923

UPWOOD QUILTERS

At the June meeting we discussed items to be made for our Christmas tree. A box-making day from 10am-4pm is arranged for Tuesday 31st July. Margaret has provided the card already cut out to enable us to start at home if we wish. The trip to Threads and Patches is to look forward to on Tuesday 30th October. We have 2 new members and are a happy group, so please join us if you so wish, you will be welcomed. For more information please ring Caroline on 813455.

HOME TO HOME

Variety is allegedly the spice of life, so HtoH members should have enjoyed the events recently. In May there was a demonstration of nail art by Chantal Smith. With an amazing range of designs and colours, Chantal explained how she transforms fingernails into miniworks of art. Most of us spent the evening hiding our hands in the hope that our badly manicured nails would go unnoticed!

In June, Bob Burns-Murdoch gave members a guided tour of the Museum at St Ives and a visit to the Chapel on the bridge. Most members had never seen the inside of the chapel and were surprised at the size and contents. A really interesting evening and our thanks to Bob for giving his free time to host the event.

This edition of the Newsletter will be printed before the Barbecue at the end of July and delivered before the AGM on the 20th August. New members are very welcome so if you are interested please come along to the AGM and meet the group at the Village Hall at 8pm. Membership is £10 per year and visitors are welcome at most events, cost £2, to include refreshments. Call 711411 for more information.

PARTY IN THE PADDOCK

News from Kevin at the Cross Keys. The Party in the Paddock has been postponed and we are trying to re-arrange it for the end of August, weather permitting.

SKILLS EXCHANGE

This proposed scheme is about paying with a 'service', not cash. Don't be put off by the word "skills". We all have abilities but, inevitably, there are things we are not good at, can't do or can't be bothered to do. Some, who might feel they have lots of need but nothing to offer (e.g. someone with limited mobility), might be glad to make some marmalade, bake a cake or do some knitting in exchange for help with the garden. Others might be put off by not being 'online' but maybe could find someone to act as go-between.

We need to compile a list of names, phone numbers, and e-mail addresses plus a rough idea of what the person has to offer by way of help. We can then all get together to sort out the details of how the scheme might operate.

For more info, please contact Janet Laing: 812686 or degs@talktalk.net.

UPWOOD SCHOOL REPORT - CELEBRATING THE DIAMOND JUBILEE

On 28th May 2012, we celebrated the Queen's Diamond Jubilee, culminating in a whole school party on the playground on 1st June. During this special week, the children learnt about the Queen's reign; painted portraits of Her Majesty; created crowns ready for the party and made bunting to be hung around the school. All staff and pupils at the school were invited to come together for the party on the Friday. The children wore their crowns, which were judged by a representative from Ramsey Rural Museum. Medals were awarded to the most outstanding creations in each class. The co-ordinator, Miss Clarke, commented: "The children had a wonderful time. There was a lovely atmosphere, despite the rain. It was wonderful to see our whole school community come together to mark this important event in our nation's history."

Bon Voyage Miss Holland

Miss Holland, our current Year 1 class teacher, will be taking a sabbatical during the academic year 1st September 2012 - 31st August 2013 to help and support in orphanages and schools around the world. This is a fantastic opportunity and we will be following her adventures very carefully. Miss Holland organised a Toy Sale, with proceeds providing funding to support the orphanages and schools. There will be a display in the school hall marking Miss Holland's journey and we wish her a fond farewell and hope she has a safe trip.

'It Never Rains, But It Pours!' and the Residential Trips.

Unfortunately, due to the bad weather, Sports Day had to be cancelled and the School Summer Fayre has been postponed until 15th September. Current Year 6 children will be given special invitations to return for the Fayre. Children in Years 5 and 6 had a residential trip to the Isle of Wight at the end of June and thoroughly enjoyed themselves. Pupils participated in sailing and surfing activities and visited many of the local attractions, including the theme parks, Black Gang Chine, Robin Hill and the Zoo. Children viewed glass being made and watched sweets being produced (sampling some of the freshly made confectionary!) We stayed at a homely and welcoming hotel on the Island and the children will take away memories that will last a lifetime.

Upwood School: Governors

Have you ever thought of becoming a School Governor or do you know someone who would? For information about becoming a school governor please contact Mrs Whitelaw, Headteacher or Toran Whybrow, Chair of Governors: 813510

ST PETER'S CHURCH

Insurers have re-valued the church (£3m) to ensure that cover is sufficient. Insurance cost is a major expense for the congregation and any support from the village would be appreciated. The roof has developed further leaks and this will also be a major expense in the near future. Damage to the north wall has been repaired and we are awaiting works to the trees in the churchyard to prevent further structural damage.

The PCC is looking at how the building can be used more by the community, so if anyone has any ideas or wishes to use the church, please contact Gordon Slinn, Lay Pastor: 915951 or Stephen Douglas, Church Warden: 815202

UPWOOD ART GROUP

Since the last newsletter UAG has been busy! In May nine members went on holiday to Norfolk, for a week's painting/drawing. We were very fortunate with the weather and some of the results of our "labours" can be seen at the Art Show we will be holding in November, details of which will be in the next Newsletter.

The following month we visited the Summer Exhibition at the Royal Academy. This is an annual "must", especially for new members with little picture making experience. Everyone leaves feeling that their own work isn't too bad after all, although some of the exhibits were beyond ordinary mortal's comprehension. Inclement weather at the Village Fete meant we were unable to display work but instead visitors were able to "have a go" at painting on feathers and seeing our "work in progress". The following Saturday the UAG and WEA hosted a day course, entitled "How to Look at Art," with Michael Baldry. When Michael reached the 20th century and modern artwork, audience participation became much more animated and it was a pity when the session had to end at 4.30pm. Thanks to everyone involved in organising the day. Interested? Come along one Saturday morning and meet the group. Upwood Village Hall at 10am. Call Frances: 711411 .

UPWOOD BOOK LOVERS' GROUP

The Morning Group meets at 10 am and the Evening Group at 7.30 pm – both at the Cross Keys PH – about every 6 weeks. We pay £2 a session which covers the coffee/tea. The two groups are independent, choosing their own books, but members can change groups if they wish – it is very easy-going. We read the book at home and then discuss the storyline/plot/style etc. ending up giving a score out of ten for the book. We also chat about book-related subjects such as new books, best reads or talks by well-known authors.

Sessions last about 1 ½ hours and the Evening Group usually indulge themselves with a treat from the desert menu.

For more information contact Maria Jackson (Morning Gp): johndandmaria@live.com / 813715 or Liz Carter (Evening Gp): liz@backtracks.biz / 813008.
