

Upwood & the Raveleys Newsletter

February 2015 Issue 76

When the phone box in Upwood High Street was decommissioned by BT the Parish Council took it over. They decided to turn it into the Book Exchange. This addition to the amenities of Upwood Village and the Parish generally has been embraced by parishioners. It is well stocked with books and DVDs which can be borrowed by anyone. There is no limit to the amount of time you can have the books and DVDs 'on loan'.

Esther Rowley is 'in charge' of the Book Exchange and she is delighted with the response the Book Exchange has enjoyed. If you haven't done so yet, it is certainly worth looking into the old telephone box and expanding your reading or listening experience.

PARISH COUNCIL

The Parish Council was pleased to welcome parishioners to the PC Meetings in December 2014 and January 2015 and wish everyone a very happy New Year.

COMMUNITY ACTION DAY: The Council had hoped to hold this in early December but unfortunately because of lack of volunteers decided to cancel. It is our hope to hold this day in early spring and we would like to urge those willing to take part to contact the Clerk so that a day convenient to more people can be arranged.

HACT: A representative of this excellent organisation came and spoke at the January Meeting. HACT is a registered charity working in association with Cambridgeshire County Council. Transport is available for people who cannot access local bus routes due to age and disability and **also for people who live in rural locations with limited or no access to local bus routes. To access this transport you must become a member of HACT and pay an annual subscription of £15.** Door to door transport is provided which is free of charge with a Cambridgeshire County Council bus pass. It offers a pre-bookable service (**Ring & Ride**) to members. On Mondays the bus serving our area goes to St Ives, Tuesdays to Peterborough, Wednesdays to Huntingdon and Thursdays to St Neot's. There are also monthly Ring & Ride specials to Barr Hill, Cambridge, Ely and Stamford. Special Day Trips are also arranged throughout the year for which a modest charge is made (£10 - £25 depending on distance).

For more information: www.hact-cambs.co.uk or 01480 411114.

A leaflet will also be displayed in the Telephone Kiosk.

NEW ALLOTMENT GATE: This gate has now been installed at the Huntingdon Road entrance to the allotments.

NEXT MEETINGS: Monday, 2 February and Monday, 2 March 2015 at 7.00pm in the Village Hall. All are welcome.

UPWOOD'S CORONATION MEADOW

Bentley Meadow, part of Upwood Meadows Nature Reserve has been designated as a 'Coronation Meadow' together with 3 other meadows – Chettisham Meadow in Cambs, Boddington Meadow in Northants and Fancott Meadows in Beds, all owned by the WildlifeTrust.

The four meadows are rich in wild flowers and seed has been harvested from them to be used in a countrywide scheme to create new, flower rich grassland elsewhere in our three counties. At the suggestion of Prince Charles, such meadows have been given the accolade of 'Coronation Meadow' to celebrate the 60th anniversary, last year, of the Queen's coronation. The roundel that signifies that Bentley Meadow is part of the 'Coronation Meadow' scheme is now in place at the entrance to the meadow.

UPWOOD & THE RAVELEYS FETE

The date of the fete will be 4 July 2015.

The date for the fete committee meeting has had to be changed. The new meeting will now be on Monday 16 February at 7pm.

UPWOOD UKULELES

We would like to thank everyone who came along to our Christmas 'Singalong' and donated so generously to Magpas, our nominated charity. We raised £103.65. Thanks also to the Cross Keys for hosting. *The audience thought the event was great and enjoyed such a fun start to Christmas.*

We had an eventful end to 2014 culminating with an appearance on the Radio Cambridgeshire Breakfast Show the day after our Christmas Singalong at the Cross Keys.

Unfortunately we do not have any room for any new recruits at the moment as we continue to meet in members' houses on Thursday evenings and space is consequently limited. However, if you have just bought a ukulele and want some help in getting started, please do not hesitate to contact us and we will do what we can to get you strumming. UPWOOD ST PETER'S CHURCH

St Peter's News

A New Year and a change of time for the first service at St Peter's in 2015 because the service was a United Benefice Service which is always at 10.00am.

With the Rector away on study leave and Gita in Rome we were lucky to have Bishop John Flack come and celebrate Holy Communion. Bishop John was Bishop of Huntingdon between 1997 and 2003 before taking the post of Director of the Anglican Centre in Rome and the Archbishop's representative to the Holy See. He retired 2 years ago and is now an Honorary Assistant Bishop in the Dioceses of Peterborough and Ely.

He spoke about how important the seasons of the church are in our journey with Christ for his sermon. I know that when we lived in Singapore how I missed nature's seasons and although we may moan about the weather how can we really appreciate a barmy summer day if we have not sat shivering in the snow and ice or soaked on a wet and windy day?

The season of Epiphany is the start of our journey to know more about our Lord, who was born for us in a stable and died for us on the cross to forgive our sins.

Just a little foot note: in 1998 Bishop John confirmed my Aunt at Manor House Nursing Home and he believes she is the oldest person he has confirmed. She was 94 at the time and lived to be 101.

New Year's Eve at the Cross Keys, Upwood - a thank you

After our local pub was closed for over a year, I think I can safely speak for everyone that spent New Year's Eve at the Cross keys in Upwood what a great night Hayley, Graham and their staff hosted. The entertainment by 'Elvis', coupled with a disco and buffet supper made a great evening and a fantastic end to 2014, with 'Elvis' leaving the building around 1am. Many thanks to Hayley and Graham and all their staff.

Thank you also to Hayley and Graham for providing people in the village who would normally have been on their own on Christmas Day with a Christmas dinner. What a thoughtful thing to do.

Issy and Ian

What do you think?

Having been to a few funerals of late and hearing the dedications, it made me think what interesting lives some people have led. Why wait until they are gone to hear about them? Why not run a series of articles about the older members of our village? As an example of this, my grandson had a school project which required him to interview people about their careers. He went next door to my neighbour and produced a really interesting story which was news to me. Just an idea!

Regards David Williams

Editor's reply: The newsletter regularly includes interviews with individuals and spotlights on groups. We are open to suggestions of names for people or groups but there are only 6 newsletters a year so it may take a long time for them to appear.

MEET & MUNCH

Happy New Year from Meet & Munch

It was wonderful to see how many members of Meet & Munch were able to attend the meetings over the past few months and were appreciative of the tasty lunches the volunteers had prepared.

The volunteers meet in March to set up a new schedule for afternoon teas and details and dates will be sent out to members.

We are a very friendly group so if you are over 55 and would like to join, please do not hesitate to contact Jan Howe 814393 for more information.

TABLE TENNIS CLUB

Early December saw the club's inaugural Handicap Doubles Tournament where 14 pairs competed for the 2014 trophy. Mike Quincy & Dennis Halstead won an exciting 5 set final and both they and the runners up received medallions to keep.

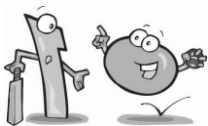

The Tuesday and Wednesday clubs both celebrated Christmas with parties where play finished early followed by scrumptious food provided by the members.

2015 will contain the normal mix of table tennis and social gatherings with a few surprises as always.

The club overall currently has 46 members (32 Tuesday & 14 Wednesday).

Anyone interested in playing Table Tennis should contact David Williams 812923

UPWOOD CRICKET CLUB

The club will be having their annual quiz night on Saturday 28th February from 7 PM at Bury Village Hall with quiz master Pat Tuffin. There will be no bar but please bring your own drinks and nibbles. It is a maximum of 6 in a team and entrance fee is £10 per team – non cricket club members are very welcome. There will be prizes, a raffle and the "Heads or Tails" game at half time.

If interested could you let Neil know on 812924, npe.tuffin@gmail.com

This year as well as summer training we plan to have some late winter sessions for the juniors starting around the beginning of March. Days and times are to be decided but all juniors are welcome. Please call/email Neil for more details or check the UCC website www.upwood.play-cricket.com

SPOTLIGHT ON THE NEWSLETTER LOGO

When the editorial team changed in the summer of 2012 it was decided to give the Upwood & the Raveleys newsletter a 'make-over', including a new look to the front page. This saw the birth of the newsletter as it is today and the editors thought that now was the right time to explain the rationale behind the logo so we went to speak to its designer and creator Esther Rowley.

Esther has been an active member of the community since she moved to Upwood from London 34 years ago. She completed her art foundation degree at Hornsey College and then moved to Harrow School of Art where she studied Graphic Design. On completion of her degree Esther went into book illustration, working in London studios, mainly for a children's book publisher. She also worked as a freelance graphic designer and continued to do this work when she moved to Upwood. Esther's artistic contribution to the parish has included designing and creating the posters and programmes for the pantomime and fete, and helping the Village Hall's fund raising efforts by designing tea towels and notelets. She has also helped Upwood Primary School in various projects including encouraging creative play by painting unique playground markings. Her current venture is maintaining the Book Exchange in the High Street and raising its profile with a Facebook page. (See the front page for details)

Esther described the reasoning behind her final choice of the component parts of the logo, which she stresses was in collaboration with the editorial team:

The Tree: *there are various reasons why this was chosen as one of the main constituents of the logo. During medieval times Earl Ailwine, the founder of Ramsey Abbey, had his home and hunting lodge in the vicinity whilst in more recent times the parish has become the last wooded area before the open Fenland. The tree also echoes the nature reserves of Raveley Wood, Lady's Wood and Upwood Meadows – all of which are located in the parish.*

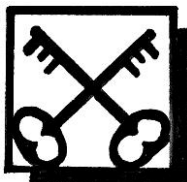

The Plane: this reflects the history of the involvement between RAF Upwood and the villages. It also pays homage to the fact that many of the airmen were actually billeted in the parish. Farm Close and Fairmead Park were originally houses designated for RAF personnel and Upwood School catered for RAF children as well as the local children.

The Church: this is the oldest historic building in the parish and as such had to be part of the logo. The current stone building was begun in c1100 and has been a constant ever since – how could I ignore it? It still represents the Christian heritage of the parish and continues to play an active role in village life, being a focal point for regular worship as well as family events such as weddings, christenings and funerals plus the annual Carol Service and

Christmas Tree Festival.

The Crossed Keys: these represent St. Peter to whom the church is dedicated. They also appear on the Upwood Primary School badge and the Upwood village sign. As the last remaining pub in the parish I felt that it was important to have some reference to the many public houses that, in the past, abounded in the villages.

The Tractor: this reflects the rural and agricultural nature of the whole of the parish, which continues to be vital to its on-going life and posterity. Some of the produce sold in Edwards' farm shop is still grown locally and the recent development of the allotments and the instigation of a community orchard also echo how important the cultivation of the parish is to the well-being of its residents.

The main criterion, when I initially discussed the creation and development of the logo, was that it should be inclusive. The editorial team were insistent that all the individual parts of the parish were to be included. They wanted me, in close discussion with them, to design a logo specifically for the newsletter, a logo that wasn't too formal but depicted parish life. Hopefully readers will agree with the editorial team that the logo does answer the brief.

Home to Home is a women's group which meets on the last Monday of the month in the Village Hall at 8.00 pm. The emphasis of the group is to have fun and be of interest to women of all ages. Anyone is welcome to come along as a visitor to enjoy an evening of talks, demonstrations or activities and can become a member at any time.

We had a very good night in December at our Christmas party featuring the popular St Bart's Readers. We were entertained by sketches and songs and some old Christmas favourites reworked to a contemporary theme, all while we enjoyed party food and wine.

Our meeting on 26 January was our AGM followed by the Upwood Ukulele group who provided us with songs and entertainment, ending our evening on a definite high!

Our meeting on 23 February will be a talk and demonstration by Maggie who has a shop in Ramsey (near the library) and renovates and adapts old furniture and bric-a-brac to make stunning new items.

If you are interested in joining and would like to see what goes on, simply turn up as a guest at one of our meetings, you will be very welcome.
