PARISH COUNCIL

Upwood and the Raveleys Parish Council. Monday 06 July 2015

Plans were discussed for the launch of the community led plan on 24 October. The launch will serve as a celebration of all that has been achieved over the last two years; as an action plan for tasks yet to be accomplished; and as a formal statement of how residents of our community wish to see it develop over the coming years.

Upwood and the Raveleys is having a makeover: The CLP launch will see the Parish Council present its newly adopted logo (thanks to local artist, Esther Rowley and Upwood and the Raveleys Newsletter Committee); and Steve Howes and Doug McLeod, parish webmasters will present a new website.

The clerk has transcribed the burial records for the “new” cemetery on Meadow Road. The records (dating back to 1966) and a plan are now available to view on the parish website.

Councillors were amused to receive a cheque from HM Treasury for £13.86. The parish council invested £13-17-6 (13 pounds, 17 shillings and 6 pence) in government stock in 1934 and the government recently announced its redemption. Over the last 81 years the parish council has earned a grand total of ‘9.72p’ in interest!

A dispute between the Speedwatch volunteers in Upwood and the Raveleys and the Police has led to the resignation of a number of key volunteers and the suspension of work on our local roads. The police have issued new guidelines for traffic monitoring and are encouraging new volunteers to come forward. We would urge residents to do this, since the only way that traffic calming measures can be approved by the county council is through the provision of evidence of consistent speeding on a stretch of road. The only official and recognised body to do this is Speedwatch. If you are interested in joining please contact Brian Robins, Cambridge Police Force Speedwatch Coordinator. Police HQ Huntingdon Mobile: 07736 086773

The next meeting will take place on Monday 07 September. Agendas and detailed minutes of parish council meetings; policy documents; and further information about Upwood and the Raveleys Parish Council is available at **www.upwood.org**

OPEN GARDENS - THANK YOU

Josie Gaunt would like to thank all those involved in making the Open Gardens such an enjoyable and successful event. There were many complementary remarks made regarding our gardens, scarecrows, refreshments and our very friendly village. The profit from the day totalled £686.47 and has been equally divided between St. Peter’s Fabric Fund, village hall and village newsletter. Photos pages 8 & 9.

3 'THANK YOU's FROM UPWOOD AND THE RAVELEYS NEWSLETTER COMMITTEE

Publication of this newsletter relies on a grant from the Parish Council and monies raised elsewhere. The newsletter team were just getting a bit twitchy about how many more editions of this newsletter they could finance when three very, very welcome donations were received. It hasn't been blown on this colour edition! – that was already planned as a celebration of the summer's events.

Thanks from the Newsletter Team go to:

- Open Gardens for a share of the money raised
- The Cross Keys for the proceeds from their Family Fun Day
- The Fete Committee for a share from the closure of the fete account

We are very grateful!

COMMUNITY LED PLAN OFFICIAL LAUNCH

24 October, 1.30 - 4pm, Upwood Village Hall. The official launch of the Community Led Plan will take place on Saturday 24 October with displays of the questionnaire survey results plus the action points being taken forward that form part of Upwood and the Raveleys Community Led Plan. Members of the Community Led Plan team will be available to talk to, and local 'stakeholders' are also being invited to attend. Further details will be available in the October newsletter but if you want to find out what is happening in your community and how the issues raised in the questionnaire survey are being addressed put the date, October 24, in your diary now.

UPWOOD ART GROUP

Several members of the group spent a pleasant afternoon at the Cross Keys paddock on Sat 4th July. The aim was to advertise the group and maybe gain new members. There was some work on display and visitors could see works in progress. The weather was lovely, hot and dry; great for painting outdoors. Our thanks go to Hayley for organising the event.

The club meets every Saturday morning from ten to midday, visitors are very welcome, coffee and tea always available (and occasionally biscuits too!) If you would like to try drawing or painting, drop in and "have a go" materials are free to use for visitors, membership is inexpensive and the group members friendly and helpful. Do come along, you'll be surprised how much fun making pictures is!!

UPWOOD PRIMARY SCHOOL NEWS

The end of a school year is always tinged with sadness, as our Year 6 pupils leave their Primary years behind and move onto Secondary school. Year 6 entertained us on their final day with their wonderful Leavers' Concert. Well done Year 6. We also say a sad 'Goodbye' to several members of staff at the end of

the term. Mrs Jane Pettitt has worked at Upwood Primary School as our Finance Manager for 12 years. We also said goodbye to Mrs Scarrow, who has recently had a new baby. Both Miss Allen and Mrs O'Reilly, Teaching Assistants, are also leaving us to explore new opportunities. They will be greatly missed by all staff and pupils and we pass on our great thanks to them for their hard work at Upwood School.

AND FINALLY...We wish all members of our school community, Pupils, Parents, Carers and Staff a wonderful summer. Good Luck Year 6 as you prepare for Secondary School. FAREWELL!

Upwood School Fayre was held on Saturday 4th July. A large number of visitors took part in the many sideshows, raffle and children's sports. A profit of £993.79 was raised. Many thanks to the organisers and those who supported us. *School PTA*

HOME TO HOME

Little Owls Come to Upwood.

Our next general meeting is Monday 24 August and we are delighted to announce that we have the little owls from The Raptor Foundation in St Ives coming to visit us. You may have seen these gorgeous little raptors before at other events around the county and now they're coming to Upwood. This is an opportunity to learn about these birds and appreciate their beauty and grace as they will also fly for us. Upwood Village Hall has had many great and varied performers over the years but nothing quite like these little stars. Guests are warmly invited to come along and enjoy these beautiful birds. We do ask for a £3 entrance but that will include your refreshments. Tickets are available from Maria Jackson: 813715.

RAMSEY & DISTRICT U3A

Please note that the Ramsey and District U3A do not have a general meeting in August. However we are looking forward to celebrating the 800th anniversary of Magna Carta with a Liberteia on September 8th. This will take place at the Community Centre, Stocking Fen Road at 2:00pm. All retired and semi-retired will be welcome. Entrance fee for non-members £2:00

UPWOOD VILLAGE HALL PERFORMING ARTS EVENT

The autumn programme kicks off on **Thursday 10 September** at 7.30pm with a great double bill: **Johnny Coppin & Mike Silver** with support from **Cup O'Joe**. £12.50

Cup O'Joe comprises three siblings: Benjamin, Reuben and Tabitha Agnew from Armagh, N. Ireland, who play an energetic style of Bluegrass & Gypsy Jazz music. They were finalists in the Radio 2 Young Folk Award 2015 and are currently only able to make the occasional visit to England as Tabitha, aged 16, is still at school. Nonetheless she is making a name for herself as a brilliant banjo and fiddle player as well as an excellent vocalist. Reuben plays lightning-fast guitar and mandolin whilst oldest sibling, Benjamin, plays double bass. What a talented family.

Johnny Coppin performed his wonderful Christmas show at UVH in December 2013 and it is great to have him back again in Upwood. This time he is playing a rare collaboration with **Mike Silver**, an excellent singer/songwriter in his own right. Their voices and instruments blend effortlessly together to produce music from the soul, delivered with

powerful conviction in the truest sense of that word.

Also: **Melrose Quartet**: Thursday 15 October - £12.50 – tickets selling fast

MEET & MUNCH

A SUNNY AFTERNOON.

It was entirely fitting that the sun was shining for the Meet & Munch Summer Lunch Party on June 6. The theme was "The sun has got his hat on" and members and helpers wore their summer hats. There were some outstanding designs. The Village Hall was decorated with flowers and thanks to the children from Year 6 at Upwood School, there were banners hung with brightly coloured pictures of the sun, sporting many different styles of hat!

Nineteen members enjoyed a delicious hot lunch followed by an array of tempting puddings. All the food was prepared by ten of the ladies who helped to ensure that the day went smoothly. Another treat was in store when Upwood Ukuleles arrived and led a wonderful singalong. It was a great ending to a lovely day.

Next Meet & Munch Meetings: 1 August and 4 September

UPWOOD CRICKET CLUB

The cricket club is having a good summer so far with lots to celebrate. The first team is top of Hunts League Division 4 and has won its last 8 matches and has regularly scored over 250 runs when batting first and has bowled teams out cheaply. The addition of some new players (dads of the juniors) and the return of some past players have boosted the quality and quantity of the squad. The second team has unfortunately not fared so well but has always put a team out which bodes well for the future.

The junior section is also doing well with lots of fixtures at the Under 9, Under 11 and Under 13 age groups. Training on Mondays has been well attended and we have won more games this summer than in recent years. The junior section has been boosted with the addition of team shirts for the under 9s and under 11s which were kindly sponsored by two local businesses. Rob Landymore from Parallel UK Limited (Spalding) arranged for the funds to kit out the under 9 squad and Mark Gilbert from Gilbert'Scape in Upwood funded the Under 11s. The club and juniors are very grateful for their smart new kit. We would welcome any new juniors, coaches, helpers and players. The dates of Home Fixtures are in the Diary of Events on page 2.

RAMSEY AND DISTRICT GARDEN CLUB

The Club meets in the Ramsey Community Centre at 7.30 on the third Monday with talks and demonstrations and visits to gardens. The Club is not just for experienced gardeners but for anyone who is interested in gardens or plants.

In June we had a talk by Nigel Stuart on 'Self Sufficiency in your Garden' and July was the Annual Show. No meeting in August; then on the 21 September: 'Green Magic' by Peter Walker; 19 October: Ian Limmer from Peter Beales Roses. Annual membership costs £10 but visitors are welcome to individual meetings at £2. For further information please contact Ian Gaunt 710702; ian.gaunt@care4free.net

SUMMER CELEBRATIONS

Open Gardens Day and Scarecrow Competition

**St Peter's Flower Festival, Meet & Munch
Art Exhibition, Cross Keys Family Day & UTTC outing**

UPWOOD ST PETER'S CHURCH

Please see the 'Diary of Events' on page 2 for services but also check the notice board outside St Peter's as services can be changed by circumstances beyond our control.

Flower Festival

We had a wonderful 'Flower Festival'; it always amazes me the ideas that people come up with to do their flowers. Who would have thought that a saucepan holder could become the 'Tower of Babel' or a workshop on wickerwork could produce the whale for 'Jonah and the Whale'? Our theme this year was 'Bible Stories in Flower'. Some stories lent themselves to be depicted in flowers, while others took some research and imagination. 'Moses in the bulrushes' was easy, well the bulrushes had all turned to seed, but not to be daunted the sewing machine came out and 'hey presto' bulrushes which everyone thought were real.

'Thank you' to Anne Marie who organised us all and a big thank you to all the ladies who arranged the flowers plus a thank you to husbands who made props and helped transport buckets of flowers etc. It was so nice to see and chat to the people who came to look at our efforts - we hope that they all enjoyed them.

Emilie Cracknell's Mission in Lisbon

Emilie Cracknell was born and brought up in Upwood and, along with her sister Mariette and parents Anne-Marie and Vernon, has been a regular worshipper at St Peter's church throughout her life. She is currently studying at Northumbria University where she is president of the Christian society: Student Life. This society is part of Agape which is a much bigger Christian organisation based in over 150 countries around the world. This summer, along with 11 other students from different universities around the UK and under the auspices of Agape, Emilie undertook a mission to Lisbon University in order to help students there to develop a group similar to Student Life.

On returning from her mission Emilie said: *"It was a very rewarding trip and I was grateful for the support I received from Upwood St Peter's Church as well as St Thomas a Becket Church in Ramsey. I would like to thank everybody for their thoughts and prayers."*

A full transcript of Emilie's mission to University Lisboa can be found in the next edition of The Link Magazine available in local churches.

UPWOOD & RAVELEYS COMMUNITY ALLOTMENT ASSOCIATION

Three allotment plots on the Upwood site participated in the Open Gardens day at the end of June and we enjoyed chatting to visitors. Two of the three prize winning scarecrows were from the Upwood allotment site.

Well done to Ali Miles with her wicker lady in the lavender and to Team Carter with Mollie the Witch (on her broom) with her cat hanging on behind. Mollie and her cat are still there, guarding the produce on the allotment although the inclement weather has forced her to change her hat!

Interest in the allotments has picked up and we now have a short waiting list for plots on the Upwood site. Plots are usually available from November each year and we hope to offer more, small starter plots this winter for newcomers. If you are interested in trying your hand at growing your own do get in touch with Liz Carter (secretary) on 813008 or liz@backtracks.biz or Ali Miles (chairman) on 710548 amiles@gotadsl.co.uk

NEWSLETTER CONTRIBUTIONS

The editorial team are delighted by the number of submissions received each month from the various clubs and societies that operate in the Parish, so please keep them coming. However we would love to receive news from each of the 5 distinct areas with the Parish as well.

So whether you live in Fairmead Park, Farm Close, Great Raveley, Little Raveley or Upwood we want to hear about what is happening in your part of the community. It could, for example, be a party for residents, a successful fund raising event or a group of concerned residents working together to achieve a common aim. You tell us about it and we'll do our best to include your news in the next edition of the newsletter.

Please send all reports and photos to **upwoodnl@hotmail.co.uk**

We are looking forward to being inundated with news from across the parish.

TABLE TENNIS CLUB

The AGM was held recently with the existing committee being re-elected with the exception of Pauline Williams who stepped down due to other commitments. The present line up of 6 is: David Williams (Chairman), Ann Deaville (Secretary), Peter Angier (Treasurer), plus Dennis Halstead, Phil Manning and Maurice Hiscott.

The chairman thanked the committee for their support in running the club and reflected on the past year. In view of 2 serious accidents, safety was paramount during the club playing times and members were reminded of their responsibilities. 'Outings' will continue to be subsidised by the club and provide opportunity for socialising between members and their guests.

The club recently spent a day at Hunstanton which in spite of mixed weather was enjoyed by all. Kite flying provided a beach spectacular and the weather improved in time for our fish & chips on the sand.

WHAT'S YOUR BROADBAND CONNECTION SPEED?

'Superfast' broadband came to the Parish over a year ago, but for many residents who have signed up to this new service the service has been anything but superfast!

A working party is already investigating the problem in Great Raveley but what is the situation in the rest of the Parish?

An on-line survey is being conducted on the **Upwood Facebook Page** so please go to this page and register the area of the parish you live, the name of the road and the connection speed.

An update of the situation will appear in a future edition of this newsletter.
