WEA COURSE MEMBERS VISIT SANDRINGHAM

As a follow up to the Summer 2016 WEA course 'Royal Gardens', speaker Andrew Sankey offered to act as guide around Sandringham on Wednesday 19 April. Course members were treated to some wonderful insights into the history of the gardens as they wandered the grounds on a lovely Spring day. They also managed to fit in a few visits to the restaurants to test the cheese scones (highly recommended!) Many thanks go to Andrew for arranging this trip as a much enjoyed extra to the course.

PARISH COUNCIL

A Parish Council meeting was held on 3 April followed by the AGM and the Annual Parish meeting (APM) was held on 8 May. The key points from the former were:

- There is a Community Defibrillator at the Cross Keys which the council is working to have put into an external cabinet.

- Funds are available to all community groups and for Community projects from the Ramsey Windfarm Community Benefit Fund. £8,000 per annum is available for community projects in this parish. For more information or to make an application go to: <http://www.grantscape.org.uk/fund/ramseywindfarmcbf/>.

- The parish council's application to the Local Highway Initiative to reduce the speed limit from 60mph to 50mph along Ramsey Road between Upwood and Bury (between the de-restriction signs at Bury and the 40mph signs on the approach to Upwood) together with the inclusion of "dragon's teeth" and village gates has been successful.

The surface of the footpath leading from Bentley Close to the nature reserve and Lady's Wood is the responsibility of Cambridgeshire County Council which is planning to improve the surface and construct a 20 metre long boardwalk over the wettest section. This work will be completed in July, subject to funding, and when ground conditions allow.

- Plans to relocate the "Upwood" sign have proved lengthy and complex but it is now hoped that the sign can be moved to incorporate Fairmead. Ideally the sign would read "Upwood and the Raveleys" or "Welcome to Upwood and the Raveleys" and be replicated at each of the five approaches to the parish.

At the APM 18 community groups and organisations provided their annual reports. The newly appointed vice-chairman, Michael Tew, thanked those who had taken the time to prepare them and added "this is an amazing parish with good community support and lots happening." He added that from his viewpoint as county councillor it had "always been one of the best parishes" in his ward and "it was a great pleasure to be able to serve the parish as vice-chairman." He also offered his thanks and respect to the outgoing vice-chairman Councillor Slater, the newly re-elected chairman, Councillor Howe and the clerk, Mrs Bilverstone for their outstanding leadership of the council and ongoing commitment and dedication to the community.

Further information can be found on the village website www.upwood.org

The next meetings of the Parish Council will be held in Upwood Village Hall starting at 7pm on Monday 5 June and Monday 3 July. All parishioners are very welcome to attend. An opportunity is always provided on the agenda of each meeting for parishioners to speak, so why not come along to one of the meetings and see how your parish is governed on your behalf by the council.

Councillor Howard Smith, Upwood and the Raveleys Parish Council

TABLE TENNIS CLUB

So far this year club sessions have been well attended, creating a super atmosphere in the hall. January included our annual winter outing to Pidley Ten Pin Bowling, which was enjoyed by 35 members and included a chicken and chip supper – all fully subsidised by the club. Wednesday players had a coaching session in February by a qualified instructor which has clearly improved the standard of play of those taking part. In March the club celebrated its 10th anniversary with a gala evening at the village hall, where hot food was provided and entertainment by a Military Wives Choir followed by Upwood Ukuleles.

April saw our annual doubles tournament which was eventually won by Andrew Smith and Pauline Williams (pictured left) in a closely contested final with Ann Deauville and Mike Quincey (pictured right).

The finalists all received medallions and the winners were presented with the club trophy.

(The members would like to thank the committee for all their hard work, which ensured that all the events mentioned were thoroughly enjoyable.)

It's hard to believe how the club has developed over the years from 6 members and one table in 2007 to its present 50 members and two tables. Success has largely been due to a very supportive membership plus the combination of table tennis and social events.

UTTC meets every Tuesday night and Wednesday afternoons in Upwood Village Hall and new members would be very welcome to join us. Frequently new members have not played for many years, but they soon settle into the swing of things; so don't be shy – come along and give it a try.

For more information contact David Williams on **812923** or email **hollyhouse.upwood@tiscali.co.uk**

(Editors' note: Apologies to UTTC for omitting to include their article in the last edition of the newsletter. Hopefully, this 'larger than usual' article makes up for our error!)

A14 CAMBRIDGE TO HUNTINGDON UPDATE

For those parishioners who have to use the A14 regularly or for those who are just interested in seeing how work is progressing the editors thought that you might like to know (if you don't already) that there is a dedicated website which is updated regularly. To find out what is happening go to:

A lot happens in the parish —see page 15 for all the clubs and organisations

BUT

What can you do to help to keep the parish vibrant and welcoming?

Do you have a spare hour or two to e.g:

help clean the church or read the meter at the village hall or deliver this newsletter or go to one of the many clubs? If the answer is 'yes' or you'd like to know more email

upwoodnl@hotmail.co.uk.

THE CROSS KEYS UPWOOD GOLF SOCIETY

We are pleased to report that the society is enjoying good support for its bi-annual events, the Spring and Autumn Opens. The last two opens have had a field of 32 players, both men and women from the parish. There is plenty of room for more players and all are welcome.

We are sad to report the untimely death of Dave Murray on 1 May - he was one of the founding members of the society 20 years ago jointly organising and running every golf day over that time. We can reveal he was also a member of the 'secret handicap committee'. Dave only stepped back and handed over the reins last year. He played in the golf day held on 21 April and was a member of the winning team. He will be greatly missed by all.

Our next event is on Friday 29 September at Lakeside Lodge, Pidley and will include both team and individual competitions followed by a dinner and prize giving at the Cross Keys. Any golfers in the village who would like to play please sign up on the sheet that will be posted in the Cross Keys or for further information please email Howard Smith at hjs@brma-uk.com

UPWOOD SCHOOL SUMMER FAYRE

We have a Penalty Shoot Out, Golf Putting Challenge, Driving Challenge; Guess the amount of balloons in the cars and lots, lots more.

Refreshments available. The Raffle will be drawn at 5.45pm.

Upwood St Peter's Church Flower Festival

Saturday 10 and Sunday 11 June

11am—5pm

Cream Teas, refreshments

Handball ringers on Saturday afternoon

Attendance

It is a busy time at USTT with many sessions full. There are currently 23 children who are due to start school this September and there is a waiting list for new starters in the Autumn 2017.

Committee

There have been some changes to the committee with long term members stepping down and new parents joining. We are fortunate to benefit from a range of current parents of the setting and previous parents of the setting, all of which bring their own ideas, skills and personalities. There is also a strong link between our Committee and Upwood Primary School PTA and these links benefit both settings.

Visitors

Crazy Colin came in to do a magic science workshop which was very popular with the older school children as they took part in practical demonstrations and eagerly answered questions around scientific concepts.

The Spring Fayre was held on Saturday 22 April and was yet again supported by the USTT and School community. The families that attended stayed and joined in all the fun. This year was based around Heroes and we were delighted to have a local Fireman to come and speak to the children and also Magpas who brought their car and held demonstrations for both children and adults.

Lisa Milner, Chair of Upwood Small to Tall

RAMSEY AND DISTRICT U3A

The Ramsey and District U3A are looking forward to their next two general meetings held at the Ramsey Community Centre, Stocking Fen Road at 2:00pm on the second Tuesday of the month.

13 June 2017 – Dave Sharpe – RaptorXotics

Dave Sharpe will be bringing along various raptors such as Golden Eagle, Peregrine Falcon, Barn Owl and White Faced Owl. The talk will be about the birds as well as falconry. He might also bring some reptiles.

11 July 2017 – Chris Dingley – Tax, Care and Toy Boys.

Chris will be speaking to us about Inheritance Tax, Long Term Care and Sideways Disinheritance and explain what steps can be taken to protect against them.

If you are retired or semi-retired and would like to pay us a visit, please come along or you can find out more information on our website www.ramseyu3a.or.uk

SPOTLIGHT ON OPEN GARDENS, SUNDAY 11 JUNE 2017

Upwood Open Gardens was originally instigated by the Upwood Village Hall Management Committee as part of a fund-raising effort towards the village hall's extension on Sunday 26 June 1994. Since then it has been re-invented several times, with a variety of co-ordinators until, for the last 3 occasions including this year's event, **Josie Gaunt** has taken on the organisation. If you are willing to

open your garden, it really doesn't matter how big or small, how pristine or untidy, please contact Josie on **710702** or email **josephinegaunt@gmail.com** by **3 June**

Upwood Art Group, alongside the **Quilt Group**, are again both exhibiting their work in the Village Hall, so from 11am you can admire their creativity whilst having a cup of tea and a piece of cake. There is also a tombola to help raise funds for the church, village hall & newsletter. Prizes are needed and can be

either left in the box in the kitchen of the village hall or at 77 High Street.

The **Scarecrow Competition** has taken place in tandem with Open Gardens on the last 2 occasions and the **Garage Sales** also joined the ranks in 2015. **John Jackson** is in charge of the Scarecrow Competition this year so if you would like to participate please contact **John on 813715**. For the Garage Sales please contact **Mike Quincey on 710962, both by 3 June**.

St Peter's Flower Festival is again taking place both Saturday and Sunday on the same weekend this year, making Upwood the village to visit on Saturday 10 and Sunday 11 June.

If you can't open your garden, create a scarecrow or have a garage sale please support the event by purchasing your entrance ticket with a map of where to find the open gardens and garage sales (£4 per person, u16s free) from the Village Hall, buying tombola tickets & exploring all that Upwood has to offer on Sunday 11 June.

UPWOOD ST PETER'S CHURCH

Our church is always open during the day. Everyone is very welcome to come to our services, details of which can be found on the church noticeboard. Every Wednesday there is a short Morning Prayer Service at 8.30am which lasts for 15 to 20 minutes duration. We are always happy to receive any suggestions that you may have to make services more accessible to all parishioners.

Church Noticeboard

A new noticeboard has been placed by the gate to the church making it much easier find out "what's on" in St Peter's.

Flower Festival in St Peter's: Saturday 10 & Sunday 11 June.

The theme of the Flower festival is "Baptism". We have borrowed some christening gowns already but, if you wish to lend us some baptism gowns, it is not too late. There will be a tree of celebration where you can put the name of anyone who has been baptised, not just those who were baptised at St Peter's. The children will be invited to decorate some leaves to be used for this purpose.

On Saturday, there will be cream tea refreshments and the handbell ringers will be playing, whilst on Sunday cold beverages will be available. For information about the flower festival,

Please contact: Anne-Marie Cracknell: **Annemarie.upwood@btinternet.com, 812195**

Our historic building: Can you help?

St Peter's Church is the central feature of our village, frequently visited as a historic grade 1 building. Our much loved Church is used by many for weddings, funerals, festivals and much more. We need your help with the cleaning and flower arranging and you do not need to be a church member to join the rotas.

At present, a small group of 'flower and cleaning' people look after the interior of the church. There are 5 teams of 2 people of which one is responsible for cleaning and one for the flowers either arranged in displays or simply in a vase. They need your help to form another 1 or 2 new teams. This would mean volunteering around 4 times a year, making the job easier.

If you are interested, please contact Anne-Marie (details as above)

MEET & MUNCH

Afternoon tea will be served at 3pm on Saturday 3 June and our lunch party on the theme of the Queen's Blue Sapphire anniversary will take place from 1-2pm on Saturday 1 July. For more details contact Jan **814393**

Our village ladies group, Home to Home is thriving in the revised format; with 'in-house' entertainment alternating with outside speakers

In April we all got excited with the dice rolling furiously in a Bunny Drive and chocolate prizes were awarded to the most successful players. The meeting on May 22 was very popular as we had a talk by Neil and Claire Callan on their garden, Horseshoe Farm, Somersham, which is only occasionally open for the National Garden Scheme. They also brought some plants for sale, which created lots of interest. In June we are visiting this garden by special arrangement as our annual outing; the numbers are limited so if you want to come please contact a committee member to check for availability. July will be a Members evening of 'Memories'.

Come to the village hall on any last Monday of the month and give us a try; new members and visitors are always very welcome.

UPWOOD AND RAVELEYS COMMUNITY ALLOTMENT ASSOCIATION

Allotment News: Darling Buds of May

In the orchard, the fruit trees are showing delicate shades of blossom, although the marked absence of significant rainfall has affected the growth of some plants. On our plot, the rhubarb has suffered through lack of rain and perhaps nutrients too. Some have given up the ghost and died and other rhubarb plants have started to seed early. The 'Allotmenters' are a friendly bunch of people who are eager to share their knowledge and expertise with some of us who are novices to a new found interest. If you take a wander on the track alongside the plots, you will notice on most days that there is always someone digging, hoeing or planting out young seedlings. Some interesting homemade structures are currently under construction to protect against the marauding rooks that nest in the tall trees and also Peter Rabbit's friends.

There are some exciting events planned for the near future. On Sunday, 11 June, Upwood is hosting an Open Gardens Event, which you are warmly invited to attend. The Community Orchard on the allotments and some of the plots will be open for you to view and enjoy. There will be a Scarecrow competition within the village, open to all. Allotment holders are encouraged to design scarecrows and decorate their plots with bunting and homemade decorations to celebrate this event as Midsummer approaches. The wackier, the better! Please look out for more information from Josie Gaunt. In September, we plan to celebrate the approach of Autumn on the allotment for plot holders. We will be enjoying cakes and drinks, plus a vegetable and seed swap on Sunday afternoon on 17 September, so this will be an ideal opportunity to meet and chat to others.

UPWOOD CRICKET CLUB

Now that the weather is warm enough and the evenings light enough we are training outside with the juniors on Monday evenings. Sessions are always fun and we have a good number of coaches to children to ensure that each child can get some individual advice and guidance on how to improve their game.

- Novices (including All Stars Squad) 5-30 pm to 6-15 pm
- Development Squad (more experienced Under 10s) 5-30 pm to 6-30 pm
- Senior Squad (School Year Group 6 to 10 Hard Ball) 6-30pm to 7-30pm

Junior membership is just £15 per child for the whole summer plus £2 a game. Games are guaranteed for those aged 7 years old and upwards. We have a packed fixtures list of games for under 9, under 11 and under 13.

Adult Cricket: We are running two adult teams this year. We are always looking for people to play, experienced or otherwise, and are very happy to accommodate those who can only play once in a while. Adult membership for the year is just £35.

New Facilities for 2017: We have been lucky enough to receive a donation from Mr and Mrs N Purllant who have recently moved out of Providence Place, which has allowed us to replace the sight screen, which has finally succumbed to the weather. This hopefully will be in-situ by the beginning of May. As well as this generous donation Parallel UK (based in Spalding) have again sponsored the club with a substantial sum of money to purchase the latest covers; which should ensure that more games are played. As well as replacing the old sight screen at the far end of the ground we have been lucky enough to be granted a £1210 grant from Sport England to buy one for the pond/pavilion end. The club is very grateful for all these funds which will make a big difference on our Huntingdon Road ground.

NEW 'MYHEALTH' APP FOR CAMBRIDGESHIRE AND PETERBOROUGH

Need to find local health services quickly? A new app to help Cambridgeshire and Peterborough residents find local NHS services available to them has been launched.

Quick and easy to use, the **'MyHealth Cambridgeshire & Peterborough'** app will direct you to your nearest appropriate NHS service. This includes local GPs, pharmacies, minor injury units, and dentists, based on your location or postcode.

Free to download and available in five other languages, including Polish, Latvian, and Lithuanian, MyHealth provides up to date information on current services including directions, opening hours, and contact details.

The app is available to download for iOS via Apple Store, Android via Google Play, and Windows phones via Microsoft Store by searching for **'MyHealth C&P CCG'**.

RAMSEY AND DISTRICT GARDEN CLUB

The Garden Club meets in the Ramsey Community Centre at 7.30 on the third Monday of most months with a variety of talks and demonstrations. Visitors to individual meetings are welcomed at a cost of £2 per meeting whilst the subscription for membership for a year is £10.

The meeting in April was a talk by Lamorna Thomas entitled 'Which Plant, Where and Why?' She took us through a number of planting areas such as a scent garden, a shady area and full sun, with plant examples for each area.

The programme for the remainder of the year is: June 19: Ian Collison, Cut Flowers
July 29: Annual Show at the Ramsey Rural Museum; Sept 18: Graham Benefer, Bonsais; Oct 16: Peter Walker, Fungi; Nov 20: AGM + Richard Gant, National Plant Heritage

Entry to the show in July is open to everyone. We like to think of this as a truly community event. As well as competitions for flowers and vegetables there are opportunities to enter cookery, preserves, floral art, handicrafts and photographs. The schedules are available from Ian Gaunt so why not get one and work out which classes you could enter. If you cannot enter then come along to the museum in the afternoon of the 29 July and see the entries, take part in the auction of produce and see the presentation of trophies.

We have arranged visits to East Ruston Old Vicarage Garden (Sunday 2 July) and the Royal Horticultural Society Garden Hyde Hall (Sunday 6 August). There will be places available on these trips so, again, contact me if you would like to join us.

For further information please contact Ian Gaunt (**710702; ian.gaunt@care4free.net**).

Ramsey Choral Society are pleased to present

Songs from stage and screen

Saturday 15th July at 7.30pm

St Mary Magdalene Church, Warboys

£10: tickets available from School Plus Ramsey, Warboys newsagent or ring 813562

Soloists: local Mezzo Soprano Natalie Davies and Tenor James Lui

(both students at the Guildhall London)

The songs will include popular opera choruses and well known musicals

RAMSEY RURAL MUSEUM

The museum in Wood Lane Ramsey is now open on Thursdays (9.00am to 5.00pm) and the afternoons (2.00 to 5.00pm) of Saturdays, Sundays and bank holidays. Even if you have visited the museum previously, it is still worth a further visit. There are so many exhibits that it is impossible to see it all at one time, including a restored 'fen cottage' and replica Victorian rooms and shops (chemists, village stores and cobblers).

As well as the normal openings, group visits can be arranged at other times and these can include guided tours and refreshments. All the facilities of the museum are available for private events. Volunteers are prepared to visit groups to give talks about the museum.

The museum is run entirely by volunteers and we always welcome new helpers. The main day for volunteer work is Thursday although during the open season 'front of house' help is needed when the museum is open to the public. If you would like to help, either give me a call or come along at any time between 9.00 and 5.00 on a Thursday.

On Sunday 11 June the museum will be hosting a Murder Mystery Matinee. The play is 'Death of a Songbird'. Entry is by ticket at a cost is £7.50 including refreshments. Tickets are available from the museum or through me. We are holding an animal based event called Donkey Day on June 25 (11am to 5 pm). This is a new event but we hope to have a range of other animals as well as donkeys. On the weekend of 8 and 9 July there will be a rally of miniature steam engines and vintage fire appliances (11am to 5 pm on both days). There will be displays of firefighting. The Garden Club show will be held on 29th July. This is open for viewing from 2 pm.

For further information contact Ian Gaunt: **710702; ian.gaunt@care4free.net**

UPWOOD & THE RAVELEYS LOCAL HISTORY GROUP

This very active group meets on the third Wednesday of alternate months and has a wide variety of speakers. In May Sarah Russell gave a highly informative talk based on the treasures of the Norris Museum and outlined its redevelopment project. Her talk reminded listeners that the Norris Museum, St Ives is well worth a visit.

In June we are looking forward to a coach trip to Blenheim Palace and in July we welcome local historian Clive Beeke who is going to be telling us all about the closing over of the Great Whyte.

Meetings start at 7.30pm and are held in Upwood Village Hall. Visitors are most welcome to attend our meetings; £3 covers entrance and refreshments.
