	Notes: All clerks whose councils seek a Local Council Award, are required to demonstrate that they have achieved at least 12 CPD points in the 12 months immediately preceding the council's application for an award. CPD activities carry a specified number of points and include studying for qualifications; attendance at conferences and courses; and reading relevant publications. Clerks also learn from undertaking new activities and from contributing to the development of the sector. The CPD scheme is a product of the National Training Strategy.		
	The parish clerk is a member of the Society of Local Council Clerks (SLCC) and the Institute of Local Council Management (ILCM). Membership of ILCM requires a commitment to training and development and the achievement of at least 18 CPD points per year.
